Living out of lies

Words and music by Bruce Low © 2006

Chorus

 C#m B
'If you love someone set them free',
 A E
I'm sure you've heard them say
C#m B
Got no choice but to do it
 A E
And hope you come back my way
 A C#m
I could sit back and say,
 B C#m
'If it's meant to be this way
 A C#m
Then it will', but a little nudge
 A E
Could make things possible

Verse 1

E
I call you up
 A E / A
In the middle of the night just to talk
E
I'm sorry to wake you,
A E / A
Wish we could go out for a walk
B A
Am I out of line
 B
Spending so much time with you?

Are we out of line
A E / A
Doing all the things, the things we do?

[Chorus]

[Short instrumental]

And don't reap what they sow

Chorus

If you try too hard to find

It's so sad to see people

I think the grass is always greener

In your own back yard

Yes, I think the grass is always greener

In your own back yard

 A B
Until there's certain things you have

Take a look in the mirror

You've already got a lot
